ESPAÑOL- IMPORTANTE!!

Dear Familias,

Spanish students in grades 5 have been learning adjectives as well as reviewing family vocabulary. As our culminating project/performance- based assessment, we are creating a family album in Spanish and we need your help in the photograph/ picture department. **Please send in photos or have your child draw pictures of the following, as it fits to your family: (5 or 6 pictures, no larger than 4 x 6).**

***whole family (for the cover)**

***grandmothers * grandfathers**

***mother *father**

***sisters * brothers**

Please note that pictures will become part of an album and will not be returned in their original condition.

All photos are **due by Monday, December 7** but we will take them sooner if they're ready!
If you have trouble printing your digital pictures, you can email them to the address below.

We appreciate your help! ¡ Muchas Gracias !
