

## Study Skills

### At school...

- Always write your homework in your planner.
- Keep your school desk clean and organized.
- Have at least 2 sharp pencils.
- Review your work to catch any careless errors.
- Participate in class discussions.
- Ask for help when needed.
- Listen with 100% attention.
- Keep your eyes on your own paper. Never cheat.
- Cover your work. Don't let others copy from you.
- Behave in class 100%.

### At home...

- Ignore or remove all distractions when working.
- Eat a snack, drink some water before working.
- Use the bathroom before starting homework.
- Have a set study time every day.
- Do your homework at a desk or table.
- Do your hardest homework first to get it done.
- Do all of your homework and remember to turn it in.
- Practice with your Study Buddy to improve your math facts, spelling, and to quiz each other.
- Read for at least 20 minutes every day.
- Look up words in the dictionary when needed.
- Use a calendar to plan ahead for my quizzes, tests, field trips, and special class projects.
- Practice your flash cards every day.
- Have a great attitude! Remember you can do it!
