<b>BOE Report Feedback/ Questions</b>								
Why are Teacher Salaries under budget(51112)?								
		The combination of ESSER II funding, ESSER III funding, and retirements has allowed us to fund a surplus.						*
Why are Substitute Salaries over budget(51115)?								
		We anticipate higher than average absentee rates at this time.						
		We have hired two full time substitutes to ensure high coverage rates for our absences.						
Why are Office Support Salaries under budget(51123)?								
		We were able to hire the Superintendent Administrative Assistant below our budgeted amount.						
Why are Paraeducator Salaries (51124) forecasted to finish in a deficit?								
		We have hired an additional one point five (1.5) paraeducators over budget to start the school year.						
		We recently settled a three year contract with retroactive payment.						
Why are Custodian Salaries (51125) forecasted to finish in a deficit?								
		We recently settled a three year contract with retroactive payment. We also have utilized substitutes.						*
Why are Group Insurances (52015-52027) forecasted to finish in a deficit?								
		Several employees either elected or expanded benefits during open enrollment.						
Why is there a deficit in Board Legal Services (53210)?								
		We anticipate the need for ongoing negotiation and consulting services.						
Why is there a surplus forcast in the Contracted Service - Repairs Budget (54001-54999)?								
		We anticipate funding major repairs from our MECCA building use fund.						*
Why are Utilities (54160-70, 54325-40) under budget at this time?								
		Our loan payment for electricity infrastructure upgrades was paid off earlier this year.						
Why does Out Of District Tuition(55120) reflect a deficit ?								
		We did not budget enough for summer school placements.						
Why is Regular Education Student Transportation (55160) under budget?								
		We had contracted for nine (9) buses, but DATTCO was only able to staff eight (8).						
		Instead, DATTCO staffed a van, reflecting some savings based upon the cost per day of the vehicle.						
		Transportation routes are still being changed based upon driver availability and parent drop off statistics.						
Why is Special Education Student Transportation (55170) over budget?								
		We did not budget enough for summer school placements.						
		We will be utilizing a full Dattco SPED van rather than a half a van in the 2021-22 school year.						
		We may need an additional van part way through the year to cover additional PREK enrollment. We have not forecast any costs at this time.
